

WINTER CABIN

Stuck in a wooden cabin in the middle of a snowstorm, it's up to you to coordinate with your team and escape together.

- **Explore and interact with your surroundings for clues;**
- **Gather and organize any intel on a special board;**
- **Help your friends by communicating via an old transceiver radio.**

- **Escape Room;**
- **1st Person View;**
- **Single Player;**
- **Windows PC.**
